2. I have reviewed and understand the contents of the specification of this reissue application, including the claims.
3. I believe that I am the original and first inventor of the subject matter which is claimed and for which a patent is sought, and as described and claimed in the reissue application and in U.S. Letters Patent No. 6,130,760, which issued from U.S. Patent Application No. 09/115,313 filed July 14, 1998. 6. All errors being corrected in this reissue application up to the time of filing of this declaration arose without any deceptive intent on my part.
